Note (2) CARRIER LIABILITY for loss or damage will be the lesser of: (1) the actual invoice value of the article(s) lost, damaged or destroyed; or (2) the amount determined from the applicable limited liability provisions of the NMFC; or (3) the limits provided by contract, if applicable; or (4) carrier's governing tariffs unless Excess Declared Value Coverage* is specifically requested along with the amount of coverage needed in writing on the bill of lading at the time of shipment and applicable charges are paid. Carrier's UPGF 102 series rules tariff** is incorporated herein by this reference; please carefully review the tariff to determine the applicable limits of liability for the type of article(s) being shipped.
*Certain articles are subject to a limited declared value, with a choice of rates under the tariff, please review the tariff provisions before stating a value. SHIPPER REQUESTS EXCESS DECLARED VALUE COVERAGE IN THE AMOUNT OF $_____
Note (3) Commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. See Sec. 2(e) of NMFC Item 360.
