Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim for the value of any goods that were sold to the Debtors in the ordinary course of its business **and** were received by the Debtors within 20 days before the date of commencement of the above case. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

8. Claimant asserts a claim in the amount of at least **$16,496,493.54** based on Claimant's damages under the Agreement. Claimant's damages under the Agreement consist of the following:

Claim	Amount	Explanation
First and Middle Mile Rescue Costs	$238,414.76	Section 5(F) of the Agreement provides: "In the event [Debtor] fails to complete any transportation undertaken by it or if any party with [Claimant] contracts completes such transportation, [Debtor] shall be responsible for reasonable and necessary actual costs, charges, fees and expenses incurred by [Claimant] and related thereto." Claimant incurred $238,414.76 in costs to hire replacement carriers to rescue "pre-paid" freight (a) from Claimant's suppliers (first mile) because it was not picked up by Debtors, and (b) tendered by suppliers to Debtors (middle mile) but not delivered, based on Debtors' breaches as evidenced by the documents set forth in **Exhibit B**.[1]
Last Mile Rescue Costs	$51,647.78	Section 5(F) of the Agreement provides: "In the event [Debtor] fails to complete any transportation undertaken by it or if any party with [Claimant] contracts completes such transportation, [Debtor] shall be responsible for reasonable and necessary actual costs, charges, fees and expenses incurred by [Claimant] and related thereto." Claimant incurred $51,647.78 in costs to hire replacement carriers to complete "last mile" residential deliveries of product based on Debtors' breaches, as evidenced by the documents set forth in **Group Exhibit C**.[2]

[1] The exhibits evidencing Claimant's damages are voluminous. Some of these documents are in possession of Debtors. Additional documents and information are available upon request.
[2] *See* Note 1, *supra*.

Carpet Delivery Charges	$39,304.05	Section 5(F) of the Agreement provides: "In the event [Debtor] fails to complete any transportation undertaken by it or if any party with [Claimant] contracts completes such transportation, [Debtor] shall be responsible for reasonable and necessary actual costs, charges, fees and expenses incurred by [Claimant] and related thereto." Claimant incurred damages of $39,304.05 with respect to amounts paid by Claimant to Debtors' subcontractor, FragilePak, for pre-paid carpet deliveries that Debtors failed to pay FragilePak for and for which FragilePak refused to release the carpet in its possession to Claimant or its customers unless Claimant paid all amounts due to FragilePak. Of this amount, Claimant paid $20,889.65 for pre-Petition deliveries and $18,415.40 for carpet held "hostage" by FragilePak, which deliveries were completed after the Petition Date. This claim is evidenced by the documents set forth in **Group Exhibit D**.[3]
Lost, Damaged & Destroyed Products (Not Delivered)	$4,965,715.68	Section 5(B) of the Agreement provides: "If any shipment hereunder or any part thereof is lost, damaged or destroyed while under the care, custody, and/or control of [Debtor], [Debtor] shall pay [Claimant] the replacement cost of the Products lost, damaged or destroyed." Claimant incurred damages of $4,965,715.68 with respect to the "cost of goods" for products that were lost (and not recovered) or otherwise damaged or destroyed such that the products were not delivered, as evidenced by the documents set forth in **Group Exhibit E**.[4]
Freight Claims for Receipt of Damaged Products and Product Shortages	$37,959.27	Section 5(B) of the Agreement provides: "If any shipment hereunder or any part thereof is lost, damaged or destroyed while under the care, custody, and/or control of [Debtor], [Debtor] shall pay [Claimant] the replacement cost of the Products lost, damaged or destroyed." Claimant incurred damages of $37,959.27 with respect to claims based on receipt of damaged products or product shortages as evidenced by the documents set forth in **Group Exhibit F**.[5]
Unpaid Debtor Subcontractor Claims	$1,600.00	Section 5(F) of the Agreement provides: "In the event [Debtor] fails to complete any transportation undertaken by it or if any party with [Claimant] contracts completes such transportation, [Debtor] shall be responsible for reasonable and necessary actual costs, charges, fees and expenses incurred by [Claimant] and related thereto." Claimant has incurred damages of at least $1,600.00 with respect to amounts sought from Claimant by Debtors'

		subcontractors, including Solid Group, Inc., for deliveries that Debtors failed to pay for. This claim is evidenced by the documents set forth in **Exhibit G**.[6]
Replacement Carrier Cost Differential	$11,161,852.00	Damages incurred by Claimant based on increased costs incurred by Claimant for products shipped by replacement logistics companies from July 23, 2023 through October 9, 2023 over and above the rates contracted by Debtors and Claimant. Of this amount, $1,503,733 was incurred pre-Petition with respect to shipments initiated prior to the Petition Date and $9,658,119 was incurred with respect to shipments initiated after the Petition Date but prior to October 9, 2023 and prior to rejection of the Agreement. This claim is evidenced by the documents set forth in **Exhibit H**.[7]
TOTAL:	**$16,496,493.54**	

Recoupment and Setoff

9. Section 7(C) of the Agreement provides that Claimant "shall have the right to offset against amounts owed to [Debtor] any amounts due to [Claimant] for claims of loss or damage, as described in Section 5 of this Agreement." Further, Bankruptcy Code Section 553 provides that "this title does not affect any right of a creditor to offset a mutual debt owning by such creditor to the debtor that arose before the commencement of the case … against a claim of such creditor against the debtor that arose before the commencement of the case." In addition, while "[t]he Bankruptcy Code does not contain a recoupment provision, [ ] the right is preserved through established common law." *In re FormTech Inds., LLC*, 439 B.R. 352, 362 (Bankr. D.Del. 2010) (*citing Univ. Med. Ctr. v. Sullivan (In re Univ. Med. Ctr.)*, 973 F.2d 1065, 1079 (3d Cir. 1992).

10. Claimant is in receipt of documents, including invoices, from Debtors seeking **$10,038,113.28** for logistics services allegedly provided to Claimant prior to the Petition Date.[8]

11. Accordingly, Claimant asserts that it is entitled to recoup and/or setoff the entirety of its damages under the Agreement (as set forth above) against Debtors' claims.

12. Under Third Circuit case law, the doctrine of recoupment "allows the creditor to assert that certain mutual claims extinguish one another in bankruptcy." *Lee v. Schweiker*, 739 F.2d 870, 875 (3d Cir. 1984). The justification for the recoupment doctrine is that where the creditor's claim against the debtor arises from the same transaction as the debtor's claim, it is essentially a defense to the debtor's claim against the creditor rather than a mutual obligation." *Id*. The Third Circuit holds that corresponding liabilities arising under a single contract are

[6] *See* Note 1, *supra*.
[7] *See* Note 1, *supra*.
[8] Claimant reserves all rights to dispute any or all of the invoices submitted by Debtors to Claimant. Claimant and Debtors are also party to a separate Master Logistics Agreement dated as October 9, 2016.

subject to the doctrine to recoupment. *In re Flagstaff Realty Assocs*., 60 F.3d 1031, 1035 (3d Cir. 1995) (permitting recoupment between tenant's claim for repair costs and landlord's claim for rent arising from lease). The automatic stay does not apply to the doctrine of recoupment. "[U]nlike a creditor seeking a 11 U.S.C. § 553 setoff, a creditor claiming recoupment need not apply for stay relief, because the funds subject to recoupment are not the debtor's property." *In re Mewborn*, 367 B.R. 529, 535 (Bankr. D.N.J. 2006). Accordingly, recoupment is not enjoined by 11 U.S.C. § 362(a).

13. For the doctrine of recoupment to apply, the "same transaction" test must be met. "[B]oth debts must arise out of a single integrated transaction so that it would be inequitable for the debtor to enjoy the benefits of that transaction without also meeting its obligations." *Id.* With respect to logistics services agreements such as the Agreement, "[r]ecoupment typically allows a creditor to recoup claims for overpayment, damage-in-transit, and late delivery…." *FormTech Inds.*, 439 B.R. at 362. In this case, Claimant's claims against Debtors arise from the same transactions as Debtors' alleged claims against Claimant - with of both arise under the Agreement. Thus, the doctrine of recoupment applies and Claimant may recoup from outstanding amounts owed to the Debtors such amounts necessary to satisfy its damage claims under the Agreement.

14. Further, Claimant has a right to setoff under 11 U.S.C. § 553. "Setoff, in effect, elevates an unsecured claim to secured status, to the extent that the debtor has a mutual, pre-petition claim against the creditor." *Lee v. Schweiker*, 739 F.2d 870, 875 (3d Cir. 1984). "The requisite elements of a Section 553 setoff are: (1) the creditor holds a claim against the debtor that arose before the commencement of the case; (2) the creditor owes a debt to the debtor that also arose before the commencement of the case; (3) the claim and debt are mutual; and (4) the claim and debt are each valid and enforceable." *In re Stienes*, 285 B.R. 360, 362 (Bankr. D.N.J. 2002).

15. Here, Claimant has a contractual right to setoff under the Agreement. First, Claimant's claims against Debtor are valid pre-petition claims. Second, Debtors' alleged claims are also pre-petition claims. Third, the claims are mutual. "To be mutual, the debts must be in the same right and between the same parties, standing in the same capacity." *Matter of Bevill, Bresler & Schulman Asset Mgmt. Corp.*, 896 F.2d 54, 59 (3d Cir. 1990). Application of mutuality, like in *Bevil*, is straightforward as the Claimant's claim arises under the Agreement and Debtors' claims arise under the Agreement with respect to certain identifiable freight deliveries. *Id.* (Mutuality is "straightforward" when claims are based on breach of contract leading to a "symmetry of obligations."). Because Claimant's claim against Debtors and Debtors' claims against Claimant relate to the same pre-petition Agreement and invoices, there is mutuality as required under Section 553 of the Bankruptcy Code. Thus, to the extent Debtors hold valid pre-petition claims relating to pre-petition invoices, Claimant has a right to setoff its mutual pre-petition claim relating to the same invoices. *See In re Alfar Dairy, Inc.*, 458 F.2d 1258, 1262 (5th Cir. 1972) (offsetting mutual pre-petition claims).

16. Therefore, for the reasons set forth above, Claimant is entitled to withhold payment under the Agreement and invoices to preserve its future ability to effectuate a recoupment or setoff with respect to its pre-petition damage claims arising under the Agreement

and invoices. *See In re Rooster, Inc*., 127 B.R. 560 (Bankr. E.D. Pa. 1991) (seller of fabric to debtor was entitled, by way of recoupment, to offset from prepayment deposit held by seller).

Reservation of Other Claims and Rights

17. The filing of this Proof of Claim is not intended and should not be construed to be an election of remedies, waiver of any past, present or future defaults of events of default, or a waiver or limitation of any rights, remedies, claims, or interest of Claimant.

18. Claimant reserves all rights accruing to it at law, in equity, and otherwise, including, without limitation, its rights and claims against Debtors and all other creditors of the Debtors and all other parties.

19. Claimant expressly reserves its rights, remedies, liens, interests, priorities, protections and claims against Debtors and each of their respective creditors, under Bankruptcy Code sections 510, 544, 545, 547, 548, 549 or 550, including claims to equitable subordination and the right and benefit at law or in equity of all the rights and interests under and with respect to the claims.

20. Other than those documents named and described herein, there may be additional documents in the possession or under the control of Debtors that would further support the claims hereunder. Claimant expressly reserves its right to supplement the foregoing Proof of Claim against Debtors and any of their affiliates after full disclosure of all relevant facts in these bankruptcy proceedings, whether pursuant to Bankruptcy Code sections 1104 or 1106, or such adversary actions or other legal proceedings as may be necessary or appropriate.

21. Claimant reserves the right to amend, supplement or re-characterize this Proof of Claim or to file additional proofs of claim for additional claims, including, without limitation, claims for (a) setoff; (b) recoupment; (c) indemnification; (d) subrogation; and (e) administrative expenses and all other claims, at law or in equity, arising prior to, on, or after the Petition Date. Claimant reserves the right to amend or supplement this Proof of Claim, if Claimant should deem it necessary and appropriate, for any reason including an updated statement of the amount then due, or for any other purpose for which a Proof of Claim filed in this proceeding could be amended.

22. Claimant does not consent to the jurisdiction of this Court for any purpose other than the proof and allowance of this Proof of Claim.

MASTER LOGISTICS SERVICES AGREEMENT--LTL

This Master Logistics Services Agreement (the "Master Agreement") is made and entered into as of November 7, 2020, (the "Effective Date") by and between the **HOME DEPOT U.S.A., INC.,** a Delaware corporation, with offices at 2455 Paces Ferry Road, Atlanta, Georgia, 30339, on behalf of itself and its affiliates (collectively "The Home Depot" or "Shipper"), and **YRC Inc.** d/b/a YRC Freight, a Delaware corporation; **USF Holland LLC**, d/b/a Holland, a Delaware limited liability company; **USF Reddaway Inc**. d/b/a Reddaway, an Oregon corporation; and **New Penn Motor Express LLC**, d/b/a New Penn Motor Express a Delaware limited liability (the "YRC Carriers") (who enter into this Master Agreement through their authorized agent, YRC Enterprise Services, Inc., a Delaware corporation), . Affiliates may be added or deleted from this Agreement by written agreement of the Parties.

For purposes of this Agreement, YRC ESI is solely a negotiating agent for each named Carrier and assumes no legal responsibility or liability for performance or obligations under this Agreement. Each YRC Carrier is solely responsible for all services such Carrier provides. References herein to "Party" or to the "Parties" shall mean, in the case of the YRC Carriers, the actual YRC Carrier providing service to The Home Depot pursuant to this Agreement, as may be applicable. References to "Carrier" shall be to the individual YRC Carrier performing the services under this Master Agreement or to all of them if the context requires that all YRC Carriers satisfy the stated contractual requirement.

The Home Depot hereby agrees that with the exception of The Home Depot termination rights under this Master Agreement (as detailed below), all legal recourse against a YRC Carrier regarding such Carrier's services herein must be asserted by Customer directly against such individual YRC Carrier and not against YRC ESI. Therefore, The Home Depot acknowledges and agrees that each YRC Carrier is individually liable regarding the services it performs and there is no joint liability between or among such YRC Carriers or YRC ESI. The Home Depot acknowledges and agrees that YRC ESI is not a motor carrier, as defined by Title 49 of the United States Code or any other governmental authority/agency. In the event of termination, each YRC Carrier may unilaterally exercise its termination rights as provided in the Master Agreement without affecting the applicability of the Agreement as between the other YRC Carriers. The Home Depot may exercise its termination rights as provided in the Master Agreement against individual YRC Carriers, or against all YRC Carriers, at its option.

WHEREAS, The Home Depot desires to engage the services of a logistics company to provide certain logistics services for The Home Depot including the safe, timely, and careful transportation of goods (the "Products") on behalf of The Home Depot to The Home Depot's customers ("Customers") or to other destinations as required by The Home Depot and as set forth and scheduled herein; and

WHEREAS, Carrier is a logistics provider registered with the Federal Motor Carrier Safety Administration ("FMCSA"), (Carrier Number details are as stated on the attached Exhibit C)_, and has indicated a desire to perform the Services (as defined below) for The Home Depot in accordance with The Home Depot's requirements and specifications, as set forth in this Agreement (as defined below);

NOW, THEREFORE, in consideration of the mutual covenants and promises of The Home Depot and Carrier, and other good and valuable consideration, the parties agree as follows:

1. Agreement Structure

A. The Services will be described in one or more statements of work ("Statement of Work" or "SOW") executed by The Home Depot and Carrier pursuant to this Master Agreement and are subject to this Master Agreement. This Master Agreement and the Statement(s) of Work collectively constitute the "Agreement". Each Statement of Work may include a set of schedules ("Schedules") described therein, with such additions and deletions as the parties may agree. Changes to any SOW shall be made only in writing executed by authorized representatives of both parties. If there is any ambiguity, inconsistency or discrepancy between this Master Agreement and any SOW, this Master Agreement shall govern.

2. Carrier's Service Obligations

A. "Services" is hereby defined as the services, functions, responsibilities, activities, tasks and projects to be performed by Carrier, as set forth in this Agreement, including each Statement of Work, as they may evolve and be supplemented and enhanced by mutual agreement during the Term (as defined below). Carrier and The Home Depot may also develop continually improving standard operating procedures ("SOPs") for the Services. Carrier and The Home Depot may also agree on performance levels and service quality criteria ("Service Level Agreements") to measure and evaluate Carrier's performance of the Services. These SOPs and Service Level Agreements shall be set forth and made a part of the applicable SOW.

B. Carrier shall render Services using personnel, subcontractors and agents of Carrier (collectively, "Representatives") that have the necessary knowledge, training, skills, experience, qualifications, permits, licenses and resources to provide and perform the Services in accordance with the Agreement, and shall render Services in a prompt, professional, diligent, workmanlike manner consistent with industry standards applicable to the performance of such Services. Carrier's Representatives shall not engage in unlawful or improper conduct in The Home Depot facilities or The Home Depot's agents' facilities.

C. Carrier shall perform all administrative and recordkeeping tasks associated with and necessary to fully and properly perform the Services under the Agreement including the possession, identification, and tracking of all Products under Carrier's custody and control. In addition, Carrier shall maintain a complete and accurate record of every Product tendered to a Representative performing Services, and shall furnish such data to The Home Depot on a weekly basis, in a form and format specified by The Home Depot, and otherwise upon request, free of charge, in order to facilitate The Home Depot's tracking of Products. Carrier shall permit The Home Depot to audit such records during normal Carrier business hours at a time scheduled with Carrier.

D. Carrier shall bear the cost and expense of the furnishing of all fuel, oil, tires and other supplies and parts necessary for the safe and lawful operation and maintenance of the equipment used in Carrier's provision of the Services ("Equipment"). Carrier shall not conduct any major Equipment repairs on The Home Depot's property/site/yard. Carrier may conduct minor repairs (e.g. tire changes, preventative maintenance, and light changes) on The Home Depot's property/site/yard where designated by The Home Depot; provided however, such repairs shall not occur against or adjacent to any building or structure.

3. Bills of Lading and Other Shipping Documents.

A. Each shipment of Products transported hereunder shall be evidenced by a bill of lading or EDI bill of lading, which has been approved by The Home Depot, signed by Carrier (including electronic signature if the Carrier is technically capable of providing an electronic signature) and showing thereon the kind, quantity, method of packaging, and condition of freight received and delivered by Carrier at the loading and unloading points and the date and time of the pick-up and delivery. The bill of lading shall constitute evidence that Carrier received the shipment in apparent good order and condition unless otherwise noted on the bill of lading. As proof of delivery, Carrier shall maintain a permanent record of all bills of lading for a period of not less than two (2) years.

B. All bills of lading, freight receipts and other shipping documents issued by Carrier or any of Carrier's Representatives shall be subject to the terms and conditions of this Agreement. In the event of a conflict or inconsistency between, on the one hand, a bill of lading, freight receipt or other shipping document issued by Carrier or Carrier's Representative and, on the other hand, this Agreement, this Agreement shall govern and control in all respects. Any bill of lading, manifest, receipt, form or document used shall be deemed to read as the current domestic Uniform Straight Bill of Lading as set forth in the National Motor Freight Classification, Series 100 tariff ("NMFC"), provided, however, that no term or condition contained therein shall be deemed to supersede any term or condition of this Agreement. Carrier's driver's signature on any other shipping document shall be for the purpose of acknowledging receipt of the shipment only and the driver's signature shall not be deemed an acceptance to any terms or conditions that vary from this Agreement or those provided in the current NMFC domestic Uniform Straight Bill of Lading. Absence or loss of a bill of lading or other receipt form shall not relieve Carrier of responsibility for the freight received and accepted by Carrier.

4. Use of Subcontractors and Agents

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

A. Carrier is responsible for all actions of its subcontractors and agents and the overall performance of delegated duties, and will continually monitor and manage such subcontractors and agents. Carrier will remain responsible for all obligations under the Agreement performed by any subcontractors or agents to the same extent as if such obligations were performed by Carrier. Carrier will remain The Home Depot's sole point of contact regarding the Services.

B. If The Home Depot is dissatisfied with the performance of any subcontractor or agent of Carrier, or otherwise determines that continued performance by such subcontractor or agent is not in the best interests of The Home Depot or its Customers, Carrier will immediately cease using such subcontractor or agent for the provision of Services to The Home Depot.

C. Carrier, and not The Home Depot, will be solely responsible for the payment of all subcontractors and agents utilized by Carrier.

D. Carrier shall provide in its agreements with its subcontractors and agents such written provisions as are sufficient to enable Carrier to comply with the provisions of this Agreement, including but not limited to: (i) the subcontractor's or agent's obligation to comply with the security-related obligations under the Agreement, to the extent applicable to the Services performed by the subcontractor or agent, and (ii) the subcontractor's or agent's obligation to keep confidential The Home Depot's Confidential Information. Carrier will ensure that its agreements with its subcontractors and agents include service level requirements relating to the Services performed by subcontractors and agents that are no less stringent than the Service Level Agreements under this Agreement for those Services.

E. Each subcontractor and agent engaged by Carrier will make, execute and deliver to The Home Depot such disclosures and agreements as The Home Depot may from time to time reasonably request in order to comport with the requirements of applicable laws.

5. Lost, Damaged or Destroyed Product

Unless otherwise agreed upon by the parties in an SOW, the following terms shall apply to all lost, damaged or destroyed Product:

A. The liability of Carrier for the loss or damage to the Products hereunder shall be in accordance with the liability imposed by 49 USC 14706; provided however, that no writing of any description, including a filed tariff, shall be competent to show that there has been a "shipper waiver" within the meaning of 49 USC 14706(c) unless the same shall have been actually signed by a Vice President-Legal of The Home Depot, and provided further that The Home Depot shall not be subject to any Carrier limitation of liability unless said limitation is reflected in this Master Agreement or an incorporated Statement of Work. Willful misconduct, gross negligence or conversion on Carrier's part or that of its employees, officers, directors, subcontractors or agents shall negate any liability limitations which may be contained in this Agreement or any SOW. Carrier's liability hereunder shall commence upon its receipt of the shipment and shall terminate (i) upon delivery of the shipment to the consignee in accordance with the governing bill of lading or (ii) upon delivery to the point of origin or such point as instructed by The Home Depot if Carrier is unable to deliver a shipment or if consignee refuses a shipment.

B. Except as limited herein, if any shipment hereunder or any part thereof is lost, damaged or destroyed while under the care, custody, and/or control of Carrier, Carrier shall pay The Home Depot the replacement cost of the Products lost, damaged or destroyed. Notwithstanding the above, The Home Depot and Carrier agree and declare that all shipments, including minimum charge shipments, and all commodities transported under the conditions of this Agreement shall, regardless of Carrier's conduct, fault or negligence, be released to a value not exceeding $25.00 per pound per package subject to a maximum of $125,000.00 per incident. Carrier's payment obligations shall not be limited or reduced by any released values or released valuations, except as may be stated in this Agreement or as expressly agreed in a written document executed by the Vice President-Legal of The Home Depot. The replacement cost is hereby defined as the total landed cost of the Product to The Home Depot including, without limitation, the manufacturing cost of the merchandise, duty, taxes, transportation charges, storage charges, forwarding and brokerage fees.

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

C. If Carrier is unable to deliver a shipment or if the consignee refuses a shipment, Carrier shall return shipment to the point of origin or to such a point as instructed by The Home Depot.

D. In the event of any accident, theft, delay, storage or other problem that impairs the safe and prompt delivery of the freight, Carrier shall immediately notify The Home Depot.

E. Unless otherwise agreed upon by the parties (i) for outbound, prepaid freight, Carrier shall return all damaged shipments to the point of origin or to such other point as instructed by The Home Depot and (ii) for inbound collect freight, Carrier shall transport all damaged shipments to the destination or such other points as instructed by consignee. Such shipments shall be at Carrier's expense to the extent Carrier is liable for damage. In addition, Carrier shall immediately promptly notify The Home Depot of any refused or "on-hand" freight and request additional instructions regarding delivery or storage of such freight.

F. In the event Carrier fails to complete any transportation undertaken by it, and The Home Depot completes such transportation either itself or through another party, Carrier shall be responsible for all reasonable and necessary actual costs, charges, fees and expenses incurred by The Home Depot to complete such transportation.

G. Carrier shall issue a through bill of lading to the ultimate destination of the Products and shall be liable to The Home Depot for loss, damage or delay in accordance with the terms of this Agreement regardless of the number of separate contracts of carriage entered into by Carrier with connecting carriers or agents.

H. Carrier shall not salvage in any way, sell, or offer for sale to any third party, or in any other way dispose of the Products without the prior written consent of The Home Depot. Unless The Home Depot directs otherwise, all Products subject to salvage shall be returned to The Home Depot, for salvage and appropriate credit. Such shipments shall be at Carrier's expense to the extent Carrier is liable for damage. If The Home Depot consents to allow Carrier to salvage any Products, all salvage receipts shall be payable to The Home Depot and credited against The Home Depot's claim against Carrier. Any decision regarding salvage or disposal of the Products will be consistent with all applicable federal and state regulations. The Home Depot reserves the right to promptly dispose of said freight, without prejudice to any claim it may have against Carrier. If mitigation is not possible and salvage is retained by Shipper, Shipper will deduct from such claim to Carrier a 50% salvage allowance.

I. Proof of delivery is required for all The Home Depot deliveries. Carrier agrees to provide a proof of delivery within five (5) business days of request by The Home Depot, if one is not available in a format searchable to The Home Depot, to enable validation of any loss or damage claim presented to The Home Depot. In the event a Proof of Delivery cannot be provided within five (5) business days of request, Carrier will accept liability for the claim on that delivery as presented by The Home Depot subject to Carrier notifying The Home Depot in these instances when trailers have been spotted at The Home Depot facilities and proof of delivery has not yet been returned by The Home Depot.

J. To the extent Carrier is liable for damage, Carrier shall pay for any expenses incurred in reboxing or refurbishing damaged cartons for sale to Customers when necessary to make the product marketable.

K. The time limit within which The Home Depot shall submit to Carrier a written claim for loss of, damage to, injury to or delay of any shipment shall be nine (9) months after delivery of such shipment, or, in the event of a lost shipment, the scheduled date of delivery of such shipment. The term "written claim" means delivering a written claim or notice of claim, which reasonably alerts the Carrier that loss or damage to Products has occurred. Any action at law to recover for such loss or damage shall be instituted against Carrier not later than two (2) years after a written declination of claim has been delivered to The Home Depot.

L. Carrier shall process all claims consistent with the terms of 49 CFR Part 370, or any successor regulation.

M. If The Home Depot prevails in litigation against the Carrier, The Home Depot shall be entitled to recover all of its actual costs and expenses incurred, including reasonable attorney's fees, court costs and interest due as of the scheduled date of delivery of the Products.

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

N. The provisions of this Section 5 shall survive the termination or expiration of this Agreement to the extent claims have shipment dates that arise before such termination or expiration. In the event of a conflict between the terms of this Section 5 and any bills of lading, Carrier tariff, contracts for carriage or other shipping documents, then the terms of this Section 5 shall govern and control.

O. If Carrier is unable to deliver a shipment or if a shipment is refused by the consignee, Carrier's liability as a warehouseman shall begin once the goods have been placed in Carrier's terminal or other storage facility.

6. Confidentiality and Publicity.

A. Confidentiality**.**

(1) From time to time, the parties may disclose or make available to one another, in connection with this Master Agreement, certain information which is considered by the disclosing party to be confidential or proprietary information about itself or its business (collectively, "**Confidential Information**"). The party claiming Force Majeure shall provide notice to the other party within two days after the termination of the Force Majeure Event or of such Event's effect on its performance. The occurrence of a Force Majeure Event shall not limit or otherwise affect Carrier's obligation to implement a business continuity plan or to perform any disaster recovery services. If Carrier fails to provide the Services due to the occurrence of a Force Majeure Event in accordance with this Agreement, fees payable to Carrier shall be adjusted in such a manner that The Home Depot shall not be liable for the payment of any fees for Services that Carrier fails to provide. Nothing in this paragraph shall relieve: (1) Carrier from its liability to Shipper for the loss, damage, and/or injury to a shipment transported under this Agreement and outlined herein; or, (2) Shipper from its obligation to make payment to Carrier for amounts due and owing under this Agreement.

B. If any Force Majeure Event prevents performance of Services by Carrier, The Home Depot may, its sole discretion, procure services of similar nature and scope from an alternative source.

C. If any Force Majeure Event persists for ten (10) or more days, The Home Depot shall have the right to terminate this Agreement upon ten (10) days written notice to the Carrier.

18. Dispute Resolution

A. "Dispute" means a claim or controversy arising out of or relating to this Agreement, including without limitation, the interpretation, breach, termination or invalidity thereof, and whether arising out of tort or contract, government statute, regulation or other applicable law.

B. In the event a Dispute exists between the parties, each party shall appoint an executive management representative who does not devote a substantial portion of his or her time to performance under this Agreement to resolve such Dispute. Such representatives shall negotiate in good faith to resolve the Dispute within thirty (30) days without the necessity of any formal proceeding. The parties hereby waive the applicable statute of limitations during such thirty (30) day period, the same being tolled for such period to the extent allowed under applicable law. Except where clearly prevented by the nature of the Dispute, both parties agree to continue performance of this Agreement during such thirty (30) days or for as long as the parties may mutually agree, unless and until this Agreement expires or is terminated in accordance with terms specified in this Agreement.

C. Any Dispute which has not been resolved in accordance with Section 17(B) above shall be settled by litigation and any such action shall be brought in either the U.S. District Court for the Northern District of Georgia, Atlanta Division, or the Superior Court of Cobb County, Georgia.

19. Governing Law

This Agreement and all related documents, and all matters arising out of or relating to this Agreement, are governed by, and construed in accordance with, the laws of the State of Georgia, to the extent not inconsistent with applicable federal laws, without regard to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Georgia.

20. Severability

The invalidity or unenforceability of any portion or provision of this Agreement shall in no way affect the validity or enforceability of any other portion or provision herein. Any invalid or unenforceable provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be invalid or unenforceable.

21. Entire Agreement

This Agreement, constitutes the entire agreement between the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements, oral or written, with respect to such subject matter and, except as and to the extent expressly provided herein, supersedes all tariffs heretofore or hereafter published or filed by Carrier or any subcontractor or agent thereof. Unless expressly agreed to by The Home Depot in this Agreement, no tariff or standard terms and conditions of Carrier shall be incorporated into or made a part of this Agreement. Except as otherwise provided in this Agreement, this Agreement may not be altered, modified, amended or otherwise changed, except by a written instrument executed by both parties. This Agreement shall not be construed in favor of or against any party by reason of the extent to which any party or its professional advisors participated in the preparation of this Agreement or based on a party's undertaking of an obligation under this Agreement.

22. Assignment; Affiliates

A. Except as otherwise provided for in this Agreement any assignment of this Agreement or any interest herein by either party without the other party's written consent having first been obtained shall be void and of no effect; provided, however, that The Home Depot may assign this Agreement to a parent, subsidiary, affiliate or successor corporation without the consent of Carrier. Except as otherwise provided herein, the duties and obligations set forth in this Agreement shall inure to and bind the legal representatives, successors, and assigns of the parties.

B. All rights granted under this Agreement to The Home Depot will extend to Home Depot's affiliates, which currently exist or are later acquired or created that (i) control, (ii) are controlled by, or (iii) are under common control with Home Depot ("Affiliates"). An entity will be deemed to control another entity if it has the power to direct or cause the direction of the management or policies of such entity, whether through the ownership or voting securities, by contract, or otherwise.

The waiver by either party of any breach of this Agreement by the other party shall not waive subsequent breaches of the same or different kind. 25. Counterparts

This Agreement may be executed in several counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. This Agreement may be executed by facsimile, and the delivery of signed copies of this Agreement by facsimile or electronically shall constitute and be deemed to be delivery of the original signatures of the parties.

26. Survivability

Those provisions which by their nature would survive termination, including but not limited to the indemnity and confidentiality provisions, shall survive termination of this Agreement.

27. Headings

The section headings contained herein are for reference only and shall not be considered as substantive parts of this Agreement.

28. Exhibits

The exhibits referenced and incorporated herein are in integral part of this Agreement and shall only be modified as agreed to in writing.

29. Services to Shipper

This Agreement shall apply solely to shipments tendered to Carrier in which The Home Depot is the payor of the transportation charges and pricing is established in Appendices, Schedules, Exhibits or Attachments to this Agreement. Unless otherwise stated in Appendices, Schedules, Exhibits or Attachments, this Agreement only applies between points and places within the contiguous United States and between points and places within the contiguous United States and a single point in Canada. If Carrier accepts from The Home Depot shipments which are not covered by Appendices, Schedules, Exhibits or Attachments, The Home Depot agrees to pay reasonable rates and charges for such transportation consistent with the prevailing rates and charges Carrier charges other shippers for similar transportation services.

30. Restricted and Excluded Commodities

The Home Depot agrees not to tender any shipment to Carrier containing items designated as prohibited or restricted in the attached Exhibit D. In the event of an accidental or inadvertent tendering by The Home Depot to Carrier of such prohibited or restricted items, Carrier's liability in the event of loss, damage and/or delay will be limited to $1.00 per pound per package or the actual value (whichever is less) and all other Carrier limitations and defenses contained herein will apply.

31, Applicability of 49 USC §14101(b)

This Agreement is entered into pursuant Section 14101(b) of Title 49 of the United States Code; provided, however, and except for the provisions governing registration, insurance, and safety fitness, as otherwise prohibited by law, or otherwise reserved in this Agreement, the Parties hereby expressly waive any and all rights and remedies permitted thereunder to the extent otherwise provided herein.

32. Hazardous Materials

The Home Depot agrees to identify clearly, when tendered to Carrier, all shipments containing materials classified by the U. S. Department of Transportation regulations as poisons by inserting the word “poison” on the bill of lading. Initials and acronyms are not acceptable. As consignor, consignee or third party to the shipment, The Home Depot agrees to indemnify and hold Carrier harmless against any and all claims for loss, liability or damage if poisons are not identified as indicated above and result in improper loading violations on any shipments moving under this Agreement. The Home Depot will comply with all applicable laws and regulations regarding proper identification on the bill of lading of any hazardous materials, as that term is used in the Hazardous Materials Transportation Act, 49 U.S.C. 5101, et seq. as amended (“Hazardous Material”) and provide a copy of the Material Safety Data Sheet, when requested. The Home Depot will also comply with any packaging requirements that may be applicable

33. Consequential and Special Damages

Exhibit A

Information Privacy and Security Requirements

1. Basic Requirements. Home Depot's information privacy and security requirements are set forth in Sections 2, 3 and 4 below ("**Basic Requirements**").

2. Requirements for Access to Nonpublic Personal Information. In the event Nonpublic Personal Information is disclosed by Home Depot, or Provider or Provider Personnel acquire, access, or derive Nonpublic Personal Information, the following terms shall apply:

2.1 Privacy Requirements. Provider represents and warrants that it will comply with all federal, state, and international privacy and data security Laws with respect to such Nonpublic Personal Information, including, without limitation: (i) complying with all requirements regarding the collection, storage, use, and sharing of information governed by such Laws; and (ii) in the event Provider's Services involve the collection of biometric data, all applicable biometric privacy Laws (*e.g.*, the Illinois Biometric Information Privacy Act (740 ILCS 14/1 et seq.), the Texas statute on the Capture or Use of Biometric Identifier (Tex. Bus. & Com. Code Ann. § 503.001), and the Washington statute on Biometric Identifiers (Wash. Rev. Code § 19.375.010 et seq.)). To the extent that applicable privacy or data security Laws require Home Depot to comply with requests from individuals to access, delete, modify, or restrict the processing of their Nonpublic Personal Information, Provider agrees to promptly provide assistance that Home Depot reasonably deems necessary to fulfill such requests. Where Provider collects Nonpublic Personal Information on Home Depot's behalf directly from individuals, the parties shall promptly cooperate to disclose such data collection practices to those individuals (the manner and disclosure of which will be approved by Home Depot). Without in any way limiting the foregoing, the parties agree that for the purpose of Provider providing Products or Services to Home Depot under the Master Agreement, Provider is a "Service Provider" under the California Consumer Privacy Act, Cal. Civ. Code § 1798.100, et seq. & § 1798.140(v) and that nothing in the Agreement or such Services or Products involves a "selling" or a "sale" of Home Depot Data under Cal. Civ. Code §1798.140(t)(1).

2.2 **Use Restrictions**. Provider agrees that such Nonpublic Personal information may only be used, processed, accessed, maintained, collected, modified, or stored to fulfill Provider's obligations under the Master Agreement (or any Statement of Work or Schedules entered into thereunder), and, unless otherwise required or permitted by Home Depot for purposes of the Master Agreement, may not be disclosed or transferred to any third party, or shared, sold,

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

assigned, leased to a third party, or otherwise disposed of by Provider or commercially exploited by Provider on behalf of Provider.

2.3 Security Requirements. Provider will use commercially reasonable security measures for its computer systems and information storage facilities which safeguard against the unauthorized destruction, loss, alteration of or access to Home Depot Data (whether such information is on Provider's systems or stored in Provider's facilities, in transit or being disposed of, or in hard copy or electronic format). Without limiting the generality of the foregoing, Provider shall: (i) implement and maintain appropriate security measures in accordance with 201 CMR 17.00: Standards for The Protection of Personal Information of Residents of the Commonwealth of Massachusetts; (ii) ensure that all electronic Nonpublic Personal Information will reside behind an appropriate and secure firewall; (iii) encrypt Nonpublic Personal Information (using a cryptographic algorithm employing a key length of at least 128 bits, or a higher standard of encryption if commercially reasonable) when transmitted over networks outside Provider or when in storage or being transported outside of Provider's systems or facilities, including in any Portable Device; (iv) ensure that the systems of Provider or Provider Personnel that access, use or contain Home Depot Data are logically separated from systems supporting third parties; and (v) not transmit, directly or indirectly, Nonpublic Personal Information to any country outside the United States without the prior written consent of Home Depot (if Provider is authorized to disclose such data outside the United States, Provider shall ensure that it or any materials derived from it are not disclosed or communicated to any individual or entity in any country to which the export of such information is prohibited by U.S. export laws or regulations). As used herein, "**Portable Device**" means any mobile device or equipment with information storage capabilities, including, without limitation, any notebook hard drive, removable media, or portable device or medium (*e.g.*, smartphones and tablets, laptop computers, CDs, DVDs, USB, floppy disk, back-up tapes, and flash drives).

2.4 Information Security Guidelines. Provider represents and warrants that it has adopted, documented, implemented, and shall adhere to, commercially reasonable written information security guidelines for maintaining security controls to protect Home Depot Data against any accidental, unauthorized or unlawful destruction, loss, alteration, disclosure or access, and against all other unlawful activities (the "**Provider Security Guidelines**"). The Provider Security Guidelines shall: (i) include physical, organizational, administrative and technical controls relating to the collection, storage, maintenance (including access rights), transmittal and disposal of Home Depot Data, and include oversight, tests for vulnerabilities, system checks and measures to prevent and detect unauthorized access; and (ii) include, at a minimum (a) a written plan and the development of measures to detect, assess, manage and prevent system failures, (b) a regular assessment of internal and external data security risks, including risks to the security, confidentiality and integrity of electronic, paper and other records containing Nonpublic Personal Information and revision of guidelines to address identified risks, (c) protection of business facilities, paper files, servers, computing equipment, including, without limitation all Portable Devices, and backup systems containing Home Depot Data, (d) network, application (including databases) and platform security, (e) secure transmission and storage of Nonpublic Personal Information, (f) authentication and access control mechanisms over Home Depot Data, media, applications, operating systems and equipment, (g) storage limitations such that Home Depot Data resides only on servers and in data centers that comply with industry standard data center security controls, and (h) notice and incident response procedures. Provider shall ensure that all Provider Personnel are trained in the Provider Security Guidelines and how to protect personal information, and shall reasonably discuss the Provider Security Guidelines with Home Depot.

2.5 Penetration Testing. At least one time each year during the Term of the Agreement, Provider will retain, at its sole cost and expense, an independent third party to conduct a penetration test of Provider's infrastructure designed to detect any material security weaknesses in such infrastructure. Provider will use a reputable third party to conduct such testing that is certified by recognized industry standards as being qualified to perform such penetration testing. Provider will reasonably discuss the results of such testing with Home Depot in a general nature so as not to expose any potential vulnerabilities to broader disclosure and, to the extent any such material weakness is found, will take appropriate action, prompt under the circumstances, to remedy such weakness. Provider will not engage a third party to host Provider's data or provide Services where Home Depot Data is stored or maintained on such third party's

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

servers without requiring such third party to adhere to penetration testing obligations comparable to those contained in this section. For the avoidance of doubt, any co-location facility in which Provider leases space, equipment and/or power supply from a third party, but Provider maintains control over the use and access of the servers and computers, does not constitute a third party hosted server.

2.6 PCI Compliance. If Provider will have access to or will receive, process, collect, use, store, dispose of, or disclose credit, debit or other cardholder payment information, including portions thereof, Provider acknowledges that it is responsible for the security of the cardholder data it processes, and hereby represents and warrants that it will comply with the most current PCI Data Security Standard (PCI DSS) in connection with the processing of such data, including, without limitation: (a) creating and maintaining a secure network to protect cardholder data; (b) using all technical and procedural measures reasonably necessary to protect cardholder data it maintains or controls; (c) creating and implementing secure measures to limit access to cardholder data; (d) monitoring access to cardholder data it maintains or controls; and (e) creating and implementing an information security policy that assures Provider Personnel compliance with the foregoing. Provider acknowledges that it is responsible for maintaining compliance with the then-current PCI DSS requirements and monitoring the PCI DSS compliance of all Provider Personnel provided with access to cardholder data. Provider will provide written documentation satisfactory to Home Depot certifying compliance with this section at least annually.

3. Requirements for Access to Home Depot's Systems. In the event Home Depot provides Provider or Provider Personnel with access to Home Depot's Systems, the following terms shall apply:

3.1 Use. Provider Personnel may not transfer personal or Provider data files or software to Home Depot's Systems, including software that is in the public domain (*e.g.*, shareware or freeware), without prior written consent from Home Depot. Any Home Depot equipment used by Provider must be immediately returned to Home Depot upon request or if the Agreement is terminated for any reason. Provider agrees to only use remote access software that is approved in advance by Home Depot.

3.2 Access. Provider is granted limited access to only that certain portion of Home Depot's Systems that it must access to perform its obligations and only for so long as such access is necessary. Provider is specifically prohibited from accessing any other portion of Home Depot's Systems. All access to Home Depot's Systems must originate from within the United States unless approved in writing by Home Depot. Provider is not allowed to change the transmission process without the prior written approval of Home Depot. Provider Personnel who have access to Home Depot's Systems will: (i) be assigned a unique user ID by Home Depot ("**User ID**") and will use only that User ID when logging on to Home Depot's Systems; (ii) log off Home Depot's Systems immediately upon completion of each session of service; (iii) not allow unauthorized individuals to access Home Depot's Systems; (iv) keep strictly confidential the User ID, password and all other information that enables access to Home Depot's Systems; and (v) only utilize such access to perform its obligations to Home Depot. Upon Home Depot's written request, Provider will promptly identify in writing all Provider Personnel who have been granted access to Home Depot's Systems as of the date of the request. Provider acknowledges and agrees that Home Depot owns all information that Provider has access to, transmits or obtains via Home Depot's Systems. Provider will use commercially reasonable security measures for its computer systems and information storage facilities which safeguard against the Services provided to Home Depot being affected or interrupted.

3.3 System Administrator. Provider will promptly appoint an employee (a "**System Administrator**") who will be responsible for: administering Provider's and Provider Personnel's access to and use of Home Depot's Systems; changing and deleting User IDs for Provider Personnel who no longer require access to Home Depot's Systems; ensuring Provider's compliance with these Requirements; collecting and submitting information about Provider Personnel with access to Home Depot's Systems or Home Depot Data; and taking all necessary preventive measures to prevent unauthorized access to Home Depot's Systems. The System Administrator will promptly notify Home Depot upon termination of employment or reassignment of Provider Personnel with remote or on-site access to Home Depot's Systems so that User IDs may be changed or deleted and other necessary preventive measures may be

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

taken by Home Depot to prevent unauthorized access. The System Administrator will be Provider's representative with respect to issues with Home Depot's Systems. Anyone who has been convicted of any felony, or a misdemeanor offense related to fraud, identity theft, or computer security, is not allowed to serve as the System Administrator or an authorized user with access to Home Depot's Systems.

3.4 Passwords. A password will be known only to the user and the System Administrator. There may be no sharing of passwords except in an emergency. A compromised password, (*e.g.*, a password that has become known to anyone else at any time, including in an emergency) may not be reused. Passwords must be manually entered in order to log onto Home Depot's Systems.

3.5 Harmful Code. Provider will not introduce any malware, viruses, time or logic bombs, Trojan horses, worms, timers, clocks, trap doors, or other computer instructions, devices, or techniques that erase data or programming, infect, disrupt, damage, disable, or shut down Home Depot's Systems or any component of Home Depot's Systems, including, without limitation, its security or data (collectively, "**Harmful Code**"). In the event Harmful Code is found to have been introduced into Home Depot's Systems by Provider, Provider will, at its sole cost and expense: (a) use commercially reasonable efforts to assist Home Depot at Home Depot's request to mitigate the effects of the Harmful Code; and (b) if the Harmful Code causes a loss of operational efficiency or loss of data, mitigate, restore and reimburse such losses. If Provider or Provider Personnel discover Harmful Code that may affect Home Depot's Systems, Provider must report it immediately to Home Depot's Information Systems help desk at (770) 433-8211, ext. 12750.

4. Provider Personnel. With respect to any Provider Personnel who have access rights to Home Depot's Systems or Home Depot Data, Provider will: (i) limit such access to only those Provider Personnel with a need for such access in order to perform Provider's obligations under the Agreement; (ii) advise such Provider Personnel (via training or other processes designed to acquaint such person with the Provider Security Guidelines and these Requirements) prior to providing them with such access rights of the confidential and sensitive nature of such information and systems and obligate such Provider Personnel (by contract or otherwise) to abide by the Provider Security Guidelines and these Requirements; and (iii) remain responsible for its compliance and the compliance of Provider Personnel with these Requirements. Upon Home Depot's written request, Provider will promptly identify in writing all Provider Personnel who have been granted access to any Home Depot Data.

5. Changes to Requirements. Home Depot may, from time to time, notify Provider of additional, new or updated information privacy and security requirements ("**Additional Requirements**") and Provider shall (and for clarity, Provider shall ensure Provider Personnel) comply with such Additional Requirements within thirty (30) days of receipt of such notice ("**Compliance Deadline**"). In the event that Provider reasonably believes that it cannot comply with such Additional Requirements prior to the Compliance Deadline or otherwise, Provider will promptly notify Home Depot prior to the Compliance Deadline and propose an alternative compliance plan for Home Depot's consideration. If the parties cannot mutually agree on an alternative compliance plan prior to the original Compliance Deadline (or any extension thereto approved in writing by Home Depot), Home Depot, in its sole discretion, will have the right to immediately terminate the Agreement or the relevant SOW, in whole or in part, without penalty. The Basic Requirements and Additional Requirements are collectively referred to as ("**Requirements**"). Provider and Provider Personnel shall comply with these Requirements at all times during the Term of the Agreement and thereafter until such time as they each no longer have possession of Home Depot Data or access to Home Depot's Systems. The acts or omissions of Provider Personnel or Provider's Affiliates (and such Affiliates' employees, agents, representatives, contractors or subcontractors) will also be deemed the acts or omissions of Provider.

6. Monitoring. Home Depot may periodically monitor, and/or review after the fact, Provider's use of Home Depot's Systems, Home Depot Data, and any other technology owned, licensed or leased by Home Depot. Home Depot or its representatives have the right to review Provider's and Provider Personnel's compliance with these Requirements during normal business hours. Such reviews will be conducted at mutually-convenient times, in a manner that does not materially disrupt Provider's business operations. If, as a result of such review, Home Depot determines that Provider is not in compliance with these Requirements, it will notify Provider of such non-compliance

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

and Provider will promptly correct any deficiency. In the event that Provider does not, within five (5) days of such notification, either correct such deficiency to Home Depot's reasonable satisfaction, or propose and implement a plan approved by Home Depot to correct such deficiency, Home Depot may immediately terminate the Agreement or any applicable SOW without penalty upon notice to Provider. At Home Depot's request and for no additional compensation, Provider will provide: (i) an executed copy of an unqualified opinion, from independent auditors of national reputation engaged and compensated by Provider, of an examination in accordance with SSAE 16 or its equivalent *and* an AICPA SOC 2 Report (or at Home Depot's request, applicable similar accounting standards in countries other than the United States for Services provided in such countries) of Provider's controls and Provider's (or Provider's third party service provider's, as applicable) systems and data centers relating to the Services; and (ii) within five (5) business days of its request, a certificate of an officer of Provider (or Provider's third party service provider's, as applicable) certifying that there has been no change in such controls and Provider systems since the date of the most recent opinion of such independent auditors. Home Depot will have the right to provide the audits described herein to its investors, attorneys, accountants, and other advisors.

7. Security Incident. If Provider discovers or is notified of any (i) unauthorized acquisition, destruction, loss, alteration of or access to Home Depot Data, or (ii) breach or potential breach of security relating to Home Depot Data or Home Depot's Systems (each a "**Security Incident**"), Provider will immediately: (a) notify Home Depot's Information Systems help desk at (770) 433-8211 ext. 12750, and the applicable Home Depot contact at the address specified in the Notices section of the Agreement of such Security Incident and by email or phone, but in no case later than 24 hours after Provider has become aware of the Security Incident; and (b) if the applicable Home Depot Data was in the possession of Provider at the time of such Security Incident, Provider shall: (1) start an investigation of the Security Incident and take all appropriate actions to remediate the effects of the Security Incident and mitigate any risks that may arise from the Security Incident; (2) provide Home Depot with timely and ongoing reports on the outcome of its investigation including any risk to Home Depot Data, the corrective action Provider will take, or has taken, to respond to the Security Incident and such other information as Home Depot may reasonably request; (3) ensure that all risks associated with such Security Incident are ultimately resolved within thirty (30) days of such Security Incident; (4) preserve all records and other evidence relating to the Security Incident; and (5) provide Home Depot with assurances reasonably satisfactory to Home Depot that such Security Incident shall not reoccur. Home Depot may disclose the occurrence of a Security Incident involving Nonpublic Personal Information in connection with notice to Home Depot's customers, employees or vendors, including both past and prospective customers, employees and vendors, governmental authorities, law enforcement agencies, or any other notice required by law or deemed necessary or prudent in Home Depot's sole discretion, including, as applicable any substitute notice required by law ("**Notifications**"). Provider shall cooperate in good faith with Home Depot in Home Depot's handling of any Security Incident, including, without limitation any investigation, reporting, the timing and manner of any Notifications, or other obligations required by applicable law or regulation, or as otherwise required by Home Depot to respond to and mitigate any damages caused by the Security Incident. Provider agrees to reimburse Home Depot for any fines, costs and losses incurred in connection with a Security Incident, including, without limitation, the cost of reconstructing data and data forensics (including any security audits or reviews of Provider's systems reasonably requested by Home Depot), the cost of Notifications (including call center support services) and providing identity theft monitoring and resolution services (including credit monitoring services) to affected parties, and any reasonable outside counsel fees incurred by Home Depot related to such Security Incident. Provider will promptly designate an employee familiar with Provider's obligations pursuant to these Requirements to act as Home Depot's primary contact for questions it may have or assistance it may require related to a Security Incident (including Home Depot's internal investigation of a Security Incident) or Provider's compliance with these Requirements ("**Provider Contact**"). The Provider Contact will promptly respond to all such Home Depot requests. Provider will ensure that Home Depot has at all times the most current contact information for the Provider Contact, which shall include at a minimum, Name, Title, Phone Number, Emergency Phone Number, and Email Address.

8. General. Provider acknowledges and agrees that Provider's liability to Home Depot for Provider's failure to comply with these Requirements shall in no way be limited by anything contained in the Agreement or any SOW to

DocuSign Envelope ID: 8F2F3356-0989-48D7-BDE2-2B885C577B13

the contrary, including any provision limiting the types and amounts of damages. Provider's reimbursement obligations hereunder are in addition to, and in no way a limitation of or substitution for, any and all indemnification obligations Provider owes Home Depot pursuant to the Master Agreement.
