United States Bankruptcy Court for the District of Delaware
Case No. 23-11087

ADDENDUM TO PROOF OF CLAIM OF TOTAL QUALITY LOGISTICS, LLC

The claimant, Total Quality Logistics, LLC ("TQL"), holds a claim against the Debtor in the total amount of $275,915.66, as summarized on the attached Exhibit A.[1] All such amounts are claimed as defenses to equal amounts alleged to be due to the Debtor by TQL and are subject to TQL's rights of recoupment and/or setoff, among other rights (all of which TQL expressly reserves) as may arise under applicable law.

Since shortly after the commencement of the Debtor's chapter 11 case, TQL and the Debtor have engaged in extensive discussions regarding potential resolution of the amounts alleged to be due to the Debtor by TQL as well as the amounts due by the Debtor to TQL, including those summarized on the attached Exhibit A.[2] In the ordinary course of business between the parties, as well as part of such discussions regarding potential resolution, TQL has provided further detailed information and documentation to the Debtor with respect to the basis, and in support of, the amounts set forth on the attached Exhibit A. Copies of the documents and further detailed information supporting and providing further basis for TQL's claim set forth in this proof of claim (collectively, the "Documents") are voluminous, and as such, have not been attached hereto, but can be submitted as may be required in the future. TQL believes that the Debtor is in possession of such Documents and TQL will also make such Documents available to the Debtor upon written request sent to Total Quality Logistics, LLC, Attn: Joseph B. Wells, Corporate Counsel, 4289 Ivy Pointe Blvd., Cincinnati, Ohio 45245 or jwells@tql.com. If copies of the Documents are required to be filed with the Court or requested by any other party in interest, TQL reserves all rights, including, without limitation, the right to request to file the Documents under seal and/or to seek to protect such information as confidential pursuant to Section 107 of title 11 of the United States Code (the "Bankruptcy Code") or otherwise applicable law, to the extent such Documents may contain or comprise confidential and/or proprietary information.

TQL reserves the right to amend or supplement this proof of claim from time to time and at any time. Without limiting the foregoing, TQL reserves the right to amend or supplement this proof of claim to assert any additional invoice disputes, overcharges, credits, discounts, cargo claims and/or any other amounts due to TQL by the Debtor within no less than the time period(s) provided by any applicable law, including, without limitation, 49 U.S.C. § 14706(e)(1), as well as any other federal transportation laws and regulations, as may be applicable.

Further, the filing of this proof of claim is not, nor shall it be deemed to be: (a) a waiver or release of TQL's rights against any person, entity or property; (b) a consent by TQL to the

[1] Included in this total are amounts due to TQL with respect to certain cargo claims that TQL exercised its right of recoupment prior to the Petition Date pursuant to a notice of recoupment and demand for adequate assurance provided by TQL to the Debtor on or about July 31, 2023. Although TQL exercised its right of recoupment with respect to such amounts prior to the Petition Date, TQL includes these amounts herein (and continues to assert its rights of recoupment and/or setoff with respect to the same) out of an abundance of caution.

[2] Pursuant to contract, TQL is the real party in interest for those cargo claims set forth on Exhibit A which were assigned to it from customers of TQL, further details of which can be provided as necessary.

jurisdiction of this Court with respect to the subject matter of these claims or any objection or other proceeding commenced thereto or any other proceeding commenced in this case against or otherwise involving TQL; (c) a waiver or release of any right or claim of TQL arising out of any other claim, of any nature whatsoever, which TQL has against the Debtor or any of its affiliates; (d) a waiver or release of any rights of TQL under any provision of the Bankruptcy Code or applicable non-bankruptcy law; (e) an election of any remedy to the exclusion, express or implied, of any other remedy; (f) a consent that this claim is a debt which is subject to discharge in this or any subsequent bankruptcy proceeding; (g) a ratification or consent to any obligations or liability based upon or arising out of any transactions between TQL and the Debtor; (h) a waiver or release of, or any other limitation on, any rights of TQL to have any and all final orders in any and all noncore matters entered only after de novo review by a U.S. District Court; (i) a waiver or release of any right of TQL, or consent by TQL, to trial by jury in this Court or any other court in any proceeding; (j) a waiver or release of any rights of TQL to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this proof of claim; (k) a waiver or release of, or any other limitation on, any right of TQL to assert that any portion of its claim against the Debtor is entitled to treatment as an administrative priority claim; or (l) a waiver or release of any right of netting, recoupment and/or setoff.

All of the foregoing rights and claims are hereby preserved without exception and with no purpose of confessing or conceding any of the foregoing in any way by this filing or by any other participation in this case.
