LESS-THAN-TRUCKLOAD TRANSPORTATION AGREEMENT

This Less-Than-Truckload Transportation Agreement (the "Agreement") is made this 1st day of February, 2015 (the "Effective Date") between Wal-Mart Transportation, LLC, as agent for and on behalf of its parent company and its subsidiaries and affiliates, having its principal place of business located at 311 N. Walton Blvd., Bentonville, AR 72716 ("Walmart"), and **YRC Enterprise Services, Inc.** having its principal place of business at 10990 Roe Avenue, Overland Park, Kansas 66211 (" YRC ESI") who is acting solely as a negotiating agent for and on behalf of YRC ESI's affiliated company(ies) as identified in the attached Attachment 1 (hereinafter referred to as "Carrier" or "Carriers").

"Party" or "Parties" shall mean Walmart, Carrier or collectively Walmart and Carrier as the context requires.

For purposes of this Agreement, YRC ESI is solely a negotiating agent for each named Carrier and assumes no legal responsibility or liability for performance or obligations under this Agreement. Each individual Carrier is solely responsible for all services such Carrier provides. Customer hereby agrees that all legal recourse against a Carrier regarding such Carrier's services herein must be asserted by Customer directly against such individual Carrier and not against YRC ESI. Therefore, Customer acknowledges and agrees that each Carrier is individually liable regarding the services it performs and there is no joint liability between or among such Carrier or YRC ESI. Customer acknowledges and agrees that YRC ESI is not a motor carrier, as defined by Title 49 of the United States Code or any other governmental authority/agency.

Additional services may be included from time to time upon amendment of this Agreement in the manner designated herein. The provisions of the Agreement shall inure to the benefit of Walmart, as well as its wholly owned subsidiaries corporations, divisions and its parent company, as well as its parent company's subsidiaries and divisions.

3. TERM OF AGREEMENT. The term of this Agreement shall be for a period of two (2) years from the Effective Date first written above and shall continue thereafter on a month-to-month basis until terminated by either Party or a new contract between the Parties is executed.

b. Termination For Cause.

(1) Either party may terminate this Agreement upon the other Party's failure to cure a material breach or default within fifteen (15) days of being provided written notice of the material breach or default (the "Cure Period"). If the material breach or default is not cured within the Cure Period, the non-breaching party may terminate the Agreement at any time thereafter.

(2) If a petition in bankruptcy is filed by or against either party, or either party becomes insolvent or makes a general assignment for the benefit of creditors, the other party may terminate this Agreement immediately and without notice or further obligation.

(3) Walmart may terminate this Agreement immediately without notice and without any further obligation if all or any portion of Carrier's operating authority is revoked or suspended; if Carrier's insurance policy is cancelled, reduced or otherwise invalidated; or if Carrier receives an overall FMCSA safety fitness determination of "Conditional," "Unsatisfactory," "Marginal" or "Unfit" from the FMCSA. Should any of these events occur, Carrier shall immediately notify Walmart and disclose the occurrence.

c. Notice of Termination. Any notice of termination shall be delivered in accordance with Section 12 of this Agreement.

d. Unsatisfactory Performance. If, in Walmart's judgment, Carrier's performance is unsatisfactory, Walmart shall make written demand upon Carrier to improve its performance. 5. WALMART'S OBLIGATIONS. Pursuant to the terms and conditions of this Agreement, Walmart agrees to tender to Carrier, and Carrier agrees to accept a series but not a minimum number of shipments.

6. CARRIER'S OBLIGATIONS.

a. Compliance with Laws, Rules and Regulations. Carrier shall comply with all of the provisions of *ICCTA* as well as related laws, rules and/or regulations of the FMCSA to the extent they govern Carrier's operations as they relate to safety. Carrier shall also comply with all provisions of applicable federal, state and local laws, rules and/or regulations, as well as any foreign laws, rules and/or regulations, to the extent they govern Carrier's operations.

b. Distinct Needs; Priority. Carrier agrees to strive to meet Walmart's distinct needs and/or special requirements.

c. Prompt Service. Carrier agrees to accept a series of shipments from Walmart. Carrier shall promptly and efficiently receive, transport and deliver safely and with reasonable dispatch and without delay, the goods entrusted to it hereunder, whether received from Walmart or from third parties at the request of Walmart. Carrier agrees to use its best efforts to expedite shipments when so requested by Walmart, and to deliver them in like good order and condition to the named consignee(s).

d. Receipts and Bills of Lading.

(1) Shipping Documents. Each shipment received by Carrier shall be evidenced by a bill of lading or receipt in a form agreed to by the parties and signed by Carrier showing the kind, quantity and condition of commodities received by Carrier. Such bill of lading or receipt shall be evidence of receipt of such commodities by Carrier in apparent good order and condition unless such commodities are not readily observable (contents and condition of contents of packages unknown) or as may be otherwise noted on the face of such receipt. Carrier shall notate Walmart load number, if provided, on the face of each bill of lading and on the EDI transmission to Walmart's designated freight payment department. Failure to do so shall result in non-payment until resubmission of the billing information with the load number.

(2) Master Bill of Lading. Carrier shall obtain a Master Bill of Lading from each supplier that includes all purchase orders for the purpose of Walmart's billing requirements, as defined in *Section 7*.

(3) Through Bill of Lading. All bills of lading shall be deemed a "through bill of lading" to the ultimate destination and Carrier shall be liable to Walmart for any loss, damage and/or delay in accordance with the terms of this Agreement regardless of any separate contracts entered into by Carrier with connecting carriers, subcontractors, cartage agents, or third parties.

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

(5) Period of Carrier Responsibility. Carrier's duties and responsibilities under this Agreement shall commence when Carrier takes physical possession and control of Walmart's property and shall end when consignee signs the bill of lading or delivery receipt and Carrier delivers Walmart's property. Should delivery not be made, or the consignee refuses the shipment, Carrier's warehouseman's liability shall not commence until the Carrier returns to its terminal, another Carrier-controlled facility or Walmart directs Carrier to a facility and the freight is offloaded for proper disposition.

(6) Conflict Between Contract and Bill of Lading. To the extent any term or condition of such bill of lading or receipt conflicts in any way with any term or condition of this Agreement, this Agreement shall govern.

(7) Non-Applicability of Tariffs. Notwithstanding any language or provisions within a bill of lading or Carrier's tariffs, service guides, circulars or similar publications maintained by Carrier, connecting carriers, rail carriers, intermodal service providers, drayage carriers, subcontractors, agents, or any other third party that might perform services under the Agreement, are not applicable to services provided pursuant to the Agreement.

e. Substituted Service. Carrier agrees not to broker any freight received from Walmart under this Agreement or to use "substituted services" for Walmart's goods without prior written agreement of Walmart. This provision, however, does not prohibit Carrier from using the services of third parties that are an established part of Carrier's network to interline the freight received from Walmart under this Agreement. If Carrier uses a substituted service of any type, with or without Walmart's permission, Carrier shall remain primarily liable for any loss, damage and/or delay to Walmart's property incurred in transit to the same extent that Carrier would be liable if it performed the transportation directly. In addition, Carrier shall be primarily responsible for compensating the substituted service provider who transported the interline shipment.

f. Financial Reports. Upon request, Carrier agrees to submit to Walmart a copy of its Quarterly or Annual Financial Report as filed with the Securities and Exchange Commission ("SEC") or the FMCSA pursuant to its regulations. If Carrier is not subject to said regulations, Carrier agrees to submit, upon request, other evidence of its financial condition acceptable to Walmart, on a quarterly basis.

g. Diversion and Reconsignment. Carrier shall not divert or reconsign any shipment except upon written instructions from Walmart.

h. Equipment and Drivers.

(1) Lawful Operation. Carrier shall, at its cost and expense, operate its motor vehicle equipment in a proper and lawful manner. Carrier further agrees to maintain the equipment in good, safe and lawful operating condition at all times and to ensure that its equipment is operated in full compliance with all state and federal laws, rules and regulations specifically including those governing vehicle emissions. Walmart shall have the right to terminate this Agreement if Carrier's equipment is not so maintained or operated in compliance with all applicable laws, rules and regulations. Carrier shall be responsible for all taxes, licenses, permits, tolls and fees necessary to provide the services contemplated by this Agreement.

(2) Qualified Personnel. Carrier shall, at its cost and expense, employ in the operation of such vehicles and equipment fully qualified personnel, shall procure and maintain such licenses and permits as are required by local, state, or federal authorities with respect to such transportation services and shall comply with the laws and regulations applicable thereto.

(3) Operating Expenses. Carrier shall bear the cost and expense of all fuel, oil, tires, parts, road service, maintenance and repair in connection with the use and operation of the equipment and which may be required to keep the equipment in good repair and safe operating condition. Walmart shall not be liable to Carrier for any damage sustained by or to Carrier's equipment or for loss by confiscation or seizure of Carrier's equipment by any public authority, unless such damage, loss or seizure is due to Walmart's negligence.

(4) Exclusive Control. Carrier shall have sole and exclusive control over the manner in which Carrier and its agents performs the transportation service provided for hereunder, and Carrier shall utilize such individuals as it may deem necessary in connection therewith, it being understood and agreed that such individuals shall be subject to discharge, discipline, and control solely and exclusively by Carrier.

i. Clean Equipment. Carrier's equipment offered to Walmart for loading of the goods to be transported is to be clean, odor-free, dry, leak-proof and free of contamination and infestation. Said equipment shall be subject to inspection, by Walmart, for suitability and cleanliness. The cleanliness or suitability of equipment must meet Walmart's reasonable standards of acceptability for the specific products to be transported. Failure to do so shall result in rejection by either Walmart or consignee. Such failure shall result in a claim as supported by specific circumstances at the time of the occurrence.

j. Hazardous Waste. Carrier hereby covenants and agrees that to Carrier's best knowledge, no trailer or other vehicle which transports commodities for Walmart hereunder shall ever knowingly have been used to transport refuse, garbage, trash or solid or liquid waste of any kind whatsoever, whether hazardous or non-hazardous. Notwithstanding anything to the contrary herein, in the event that Carrier breaches the terms of this Paragraph, Walmart shall have, in addition to any other remedy under this Agreement, the right to immediately terminate this Agreement.

k. Delay; Accidents. Carrier shall notify Walmart immediately by telephone, fax or e-mail of any accidents, spills, theft, hijacking or other events which impair the safe and prompt delivery of the goods in its custody and control.

l. Security Measures. Carrier shall take all actions reasonably required by Walmart to ensure the security of the goods transported hereunder. Carrier recognizes that the security measures of Walmart may change over the course of this contract. To the extent security measures mandated by Walmart or applicable law, rule or regulation result in additional cost to Carrier, Carrier and Walmart shall endeavor to determine an equitable allocation of such additional costs. Nothing herein shall excuse Carrier from complying with any security obligations imposed by law or regulation of any governing body.

m. Record Retention. Carrier agrees to keep full, complete and accurate records of shipments moved (to include bills of lading and receipts signed by consignee at destination) under this agreement for a period of three (3) years. These records shall be provided to Walmart in support of all freight bills upon Walmart's request.

7. COMPENSATION AND PAYMENT.

a. Rates and Charges.

(1) Applicable Rates. Except as provided for in Section 7(a)(2), Walmart agrees to pay and Carrier agrees to accept the rates and charges set forth in *Appendix B* as full and complete compensation for the services provided under this Agreement. These rates and charges are

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

intended to apply to all goods shipped or received by Walmart and/or third parties for Walmart's account between all of Walmart's shipping and receiving points.

(2) Alternate Rate Schedules. Walmart agrees to pay and Carrier agrees to accept the modified rates identified in *Schedule E* and *Schedule H* (the "Alternate Rate Schedules") for any load shipped from the shipping points identified in the Alternate Rate Schedules. Each shipping point identified in *Schedule H* will be designated solely by Walmart. Carrier may request that a shipping point be included in *Schedule E*. The decision on which shipping points are included in the Alternate Rate Schedules lies within the sole discretion of Walmart. Walmart will provide notice of updates to the Alternate Rate Schedules throughout the term of this Agreement and an effective date upon which Walmart will begin to apply the rates listed in the updated Alternate Rate Schedules. By accepting a load on or after the effective date, Carrier agrees to the rates listed in the updated Alternate Rate Schedules.

(3) General Rate Increase ("GRI"). During the Term and any renewal period, the Parties agree that Carrier will not assess any GRI that is not mutually agreed to in writing by an officer of each Party.

(4) Walmart's Affiliates. The provisions of this Section shall inure to the benefit of Walmart as well as its wholly owned subsidiary corporations, divisions and its parent company, and its parent company's subsidiaries and divisions.

b. Rules; Surcharges; Tariffs.

(1) Applicable Rules. Shipments tendered to Carrier pursuant to this Agreement shall be subject only to the rules and charges set forth in *Appendix B* and the Alternate Rate Schedules.

(2) Fuel Surcharge. Any fuel surcharge shall be controlled by the schedule attached as *Appendix C*.

(3) Non-Applicability of Tariffs. Tariffs, service guides or similar publications maintained by Carrier are not applicable to the transportation services provided under the terms of this Agreement or charges assessed for those services, except to the extent, they are expressly incorporated in this Agreement.

c. Payment; Procedure.

(1) Carrier shall invoice Walmart promptly following delivery of freight, which shall include all mileage, stop-off and accessorial charges as well as any fuel surcharges. Carrier shall submit only one (1) invoice that includes all Purchase Orders ("*POs*") for each individual shipment. Carrier shall obtain from Supplier a Master Bill of Lading that includes all POs for each shipment in addition to individual bills of lading for each Purchase Order. In the event that the POs for a shipment are shipped on different trucks, the individual/specific bill of lading for those POs shall follow the shipment to final destination. Walmart may require submittal of additional shipping documents and/or proof of delivery with the invoice. Carrier must notate Walmart's load number, when available, on all invoicing correspondence, paper or EDI. Failure to do so may result in delayed payment. Carrier agrees that no penalties, loss of discounts or interest shall be assessed on contested invoices. Walmart will pay all valid, uncontested and properly filed invoices within thirty (30) days of receipt. For the purpose of this Section, "*Properly Filed*" means that the invoices meet all requirements, terms and conditions set forth in this Agreement.

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

(2) Carrier agrees to cancel all transportation charges due on shipments for which an original freight bill is not presented to Walmart within twelve (12) months from the date of shipment. Carrier shall not submit an invoice for additional charges due on any freight bill after twelve (12) months from the original invoice for transportation charges.

d. Right to Set Off Claims; Waiver of Lien. Walmart has the right to set off claims for overcharge or duplicate payment against any freight or other charges owed to Carrier. Carrier shall have no lien for the retention of freight to secure payment of freight charges.

e. Time Limits; Overcharge and Undercharge Claims. The time limit for filing overcharge and undercharge claims on shipments moved pursuant to this Agreement shall be twelve (12) months from the date of final invoice payment. Except as set forth herein, all overcharges and duplicate payments shall be processed by Carrier in accordance with 49 CFR Part 378.

f. Post Audit. Walmart shall have up to twelve (12) months from the final invoice payment to audit and file claims on charges invoiced by Carrier for services performed under this Agreement.

g. Factoring / Assignment. Carrier must provide Walmart written notice of an assignment, factoring, or other transfer of its right to receive payments arising under this Agreement no less than thirty (30) days prior to the assignment, factoring or other transfer taking legal effect. The written notice must include the name and address of assignee/transferee, date, effective date of assignment and terms of the assignment. The notice is a precondition of payment to any factoring agent or financial institution. Should Walmart pay the factoring agent or financial institution, any and all payment obligations to Carrier are waived by Carrier and extinguished. Walmart reserves the right to accept or reject the factoring and/or assignment. Should Walmart decline the factoring and/or assignment, it can terminate the Agreement immediately.

8. LIABILITY FOR LOSS, DAMAGE OR DELAY.

a. Carrier Liability. Carrier assumes the liability of a common carrier for full actual loss to any cargo hauled under this Agreement to the same extent that liability is imposed on motor carriers, as defined in Section 14706 of Title 49 of the United States Code, in effect as of the date of this Agreement. Carrier's liability will exist from the time of the receipt of any goods by Carrier until proper delivery is made. Carrier's maximum liability for each shipment will not exceed $250,000.

b. Measure of Damages. "Full actual loss" is defined as the invoice value of the goods, as billed by the Supplier, and includes all associated transportation costs.

c. Additional Damages. Carrier is liable for Walmart's reasonable expenses incurred in mitigation of damage(s), including inspection, sorting, segregating, refurbishing, repackaging and re-shipping.

d. Non-Applicability of Tariffs. Irrespective of any provisions in Carrier's tariffs, service guides or similar publications, Carrier's liability for loss, damage and/or delay shall be determined solely by the terms of this Agreement. Any attempt by Carrier to limit its liability or alter the claims periods by tariff or other provisions incorporated by reference in a bill of lading or shipping document shall be deemed null and void.

e. Refused Shipments. If a shipment is refused by the consignee or Carrier is unable to deliver it for any reason, Carrier's liability as a warehouseman will not begin until it has

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

placed the goods in Carrier's terminal or in a public warehouse or other storage facility under reasonable security. Carrier shall notify Walmart prior to the placement of goods in any storage facility.

f. Replacement Shipments. Carrier acknowledges that Walmart may utilize other carriers to facilitate the movement of delayed shipments or to ship replacement goods. If Carrier fails to make timely delivery of any shipment, Carrier shall be responsible for reasonable and necessary costs, charges, fees and expenses resulting from the delay. For the purpose of this Agreement, unless Walmart requests and pays for expedited and/or time sensitive service, "delay" will be defined pursuant to a "reasonable dispatch" standard as defined in 49 CFR 375.103; Subtitle B, Chapter III of the FMCSA.

g. Return of Damaged Shipments. Carrier shall return all damaged shipments at its expense to the location requested by Walmart.

h. Cargo Loss, Damage and/or Delay Claims Procedure. The following terms govern the loss, damage or delay claims filed by Walmart.

(1) A claim for loss, damage, injury and/or delay to cargo will not be voluntarily paid by Carrier until Walmart has filed a claim. A claim shall be deemed sufficient if it contains facts sufficient to identify the shipment(s) involved; asserts liability for alleged loss, damage, injury, or delay; and makes a claim for the payment of a specified or determinable amount of money.

(2) Walmart shall file a claim within twelve (12) months of the date of delivery. The date of delivery will be determined by the date on the receiving stamp or written on the BOL/freight bill by the receiver. In the case of non-delivery, a claim must be filed within twelve (12) months of a reasonable time for delivery or within twelve (12) months of the date Carrier notifies Walmart that the shipment is lost. A reasonable time for delivery shall not exceed four (4) days beyond the agreed transit time.

(3) Walmart will forward to Carrier a Cargo Claims Statement electronically on a bi-weekly basis referencing all open and unresolved claims. If a copy of any claim over thirty (30) days old has not been received by Carrier, Carrier is responsible for requesting a copy of the claim from Walmart Traffic Claims Department. The bi-weekly Cargo Claims Statement will show Carrier's acknowledgement number (indicating Carrier received the claim). If any claim on this statement does not state an acknowledgment from Carrier, Carrier is responsible for supplying the number and requesting a copy of the claim from Walmart Traffic Claims Department within 30 days of receipt of the Cargo Claims Statement.

(4) Walmart may request disposition of the freight in question before a formal claim is filed and presented to the Carrier.

(5) Carrier will acknowledge receipt of each claim in writing within fourteen (14) days after date of receipt. Carrier must request any information necessary to process the claim within thirty (30) days of its receipt of the claim.

(6) Overages should be provided, by Carrier, within 14 days unless Carrier can provide proof that overage is the result of a free astray or that overage was picked up for the purpose of closing a shortage. Overages provided by Carrier to clear a shortage claim must be an (1) overage of within 21 days of shipment, (2) from the same vendor as shortage being claimed and, (3) the overage has not previously been used for another cargo claim. In the event of excessive difference in comparable value between overages

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

and shortages, submitted overages shall be considered non applicable, unless the overage and shortages are on the same load.

(7) Each claim filed against Carrier will be promptly and thoroughly investigated.

(8) Carrier agrees to pay all valid, properly filed and documented claims within one hundred fifty (150) days of receipt. For all claims not paid, properly denied or otherwise resolved within one hundred fifty (150) days, Walmart will have the right to deduct the amount of the claim from any amounts owed to Carrier after providing notice to Carrier. Carrier will have thirty (30) days from any deduction made under this Section to provide documentation to support the denial of the claim and request reimbursement of the amount previously deducted.

(9) Carrier is not responsible for any loss, damage, injury or delay resulting solely from the acts or omissions of Walmart, public enemy, revolution, civil disorder, war, fire, flood, acts or omissions of the other party, inherent vice of any shipments, or under the order of any Government or public or local authority.

(10) All correspondence between the Parties shall include Walmart's claim number. Failure to reference the claim number will constitute no correspondence.

(11) Carrier will not deny a valid claim without an appropriate legal basis to support the denial. Denial of a claim due to a lack of pictures is not a valid denial. Pictures are provided when possible, but are not a mandatory part of the damage claim. Walmart will make a good faith effort to provide pictures on all damage claims over $250 to assist in the resolution process.

(12) **THERE WILL BE NO SALVAGE CREDIT GIVEN TO CARRIER IF: (1) WALMART, IN ITS SOLE DISCRETION, DETERMINES MERCHANDISE MAY CAUSE HARM TO A CONSUMER AND WALMART DESTROYS OR DISPOSES OF THE MERCHANDISE; OR (2) THE PRODUCT IS PRIVATE LABEL MERCHANDISE (i.e. GREAT VALUE, SAM'S CHOICE).**

(13) The cargo claims procedures set forth in this Agreement shall be the exclusive manner of resolving all cargo claims filed by Walmart regardless of the terms of any shipping documents or delivery receipts, and shall specifically override claims procedures as set forth in Title 49 of the Code of Federal Regulations.

(14) All Carriers' paperwork must notate actual quantities received on the BOL or freight bill.

a. Freight bill must be filled out completely as shipped.

b. Carrier shall be responsible for verification count as tendered upon pick up. If Shipper tenders as a palletized load, Carrier will sign and be responsible for number of pallets. If Shipper tenders as individual cases, Carrier will sign and be responsible for individual cases. In the event that pallets are broken down to satisfy shipments to various facilities, the pallet count becomes void and case count shall be deemed accurate.

c. A copy of the vendor BOL, freight bill or truck bill must be signed by Carrier and shall be provided to all Walmart receiving facilities at time of delivery.

d. Declination of "Walmart Load and Count" or "SLSC" are not valid unless (i) shipment was signed for as SLSC at vendor; (ii) Carrier provides proof of exception documented at first break; and (iii) Carrier demonstrates proof of notification to the vendor of any/all exceptions on shipments received at first break terminal.

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

i. Suits; Expenses and Attorneys' Fees. If any Party is successful in recovering a claim in a legal proceeding, the succeeding Party will be entitled to recover all of its expenses incurred in recovering the claim, including reasonable attorney's fees, costs and interest from the date of delivery, or scheduled delivery, of the shipment. For the purpose of the Agreement, "legal proceeding" will be defined as any action initiated in a court of competent jurisdiction or any alternative dispute resolution procedure that is agreed upon between the Parties pursuant to Section 12c.

j. Damaged or Refused Shipments; Salvage. Carrier shall not dispose of damaged or rejected product without the prior written consent of Walmart. For shipments outside the scope of Section 8(h)(11), Walmart may determine within its sole discretion, subject to a reasonableness standard, whether the goods may be salvaged and the actual value of the salvage. Any salvage receipts will be credited against Walmart's claim against Carrier. Walmart has the right to have Carrier remove all identifying marks and labels or have the goods permanently marked as "damaged" or with another similar notation.

k. Willful Misconduct. Willful misconduct, gross negligence, material breach or conversion on the part of Carrier, its employees, officers, directors, agents or subcontractor vitiates any and all limitations of liability contained within in this Agreement.

l. Survival of Provisions. The provisions of this Section shall survive cancellation, termination or expiration of this Agreement.

9. INSURANCE.

a. Required Policies. During the term of this Agreement, Carrier shall have and maintain the following insurance policies. All policies must be issued by reliable insurance companies that are acceptable to Walmart.

(1) Commercial Automobile Liability Insurance: Carrier shall maintain a Commercial Automobile Liability insurance policy providing minimum policy limits of $2,000,000 per occurrence for bodily injury and $2,000,000 per occurrence for property damage.

(2) Commercial General Liability Insurance: Carrier shall maintain a Commercial General Liability insurance policy providing minimum policy limits of $2,000,000 per occurrence for bodily injury and $2,000,000 per occurrence for property damage. This policy shall include contractual liability coverage; and provide that the policy is primary and non-contributory.

(3) Cargo Liability Insurance: Carrier shall maintain a Cargo Liability insurance policy providing minimum policy limits of $250,000 per occurrence. This policy shall not exclude coverage for infidelity, fraud, dishonesty or criminal acts of Carrier's employees, agents, officers or directors. If the policy contains such exclusions, Carrier shall obtain and furnish a surety bond or alternative policy providing such coverage to Walmart. This policy shall name Walmart, its subsidiaries and affiliates as a "loss payee."

4) Workers Compensation/Employer's Liability: Carrier shall maintain Workers Compensation insurance with the statutory minimum limits required by the state(s) in which the services provided under this Agreement are to be performed and Employer's Liability insurance with limits of at least $1,000,000 per occurrence. In the absence of an applicable statutory limit for Workers Compensation Insurance, Carrier shall maintain a policy providing minimum policy limits of $1,000,000 per occurrence. These insurance

DocuSign Envelope ID: C10CBF3D-C46D-4BAC-BBEE-725025FFB386

policies shall provide that each policy is primary, non-contributory and not excess coverage.

b. Additional Insured on Liability Policies. To the extent of Carrier's indemnity obligations herein Walmart shall be named as an "Additional Insured" on both the bodily injury and property damage portions of the commercial automobile and general liability policies. These policies shall also provide that Walmart is not obligated to pay premiums for any such insurance; the policies are primary with respect to each insured; and the policies apply separately to each insured and cover claims, suits, actions or proceedings by each insured against any other insured except named insured vs. named insured.

c. Certificates of Insurance. Carrier shall provide certificates of insurance evidencing the required coverage. If Walmart requests the exclusions, the insurance company can provide it. They are only needed if requested. Carrier shall provide notice of cancellation and material change in accordance with policies terms and conditions upon of receipt of any change from the Carrier's insurer.

d. No Representation as to Adequacy. The policy limits required under this Agreement are not to be read or understood as a limitation of Carrier's liability under this Agreement or a representation by Walmart that the types or limits of insurance are adequate to protect the Carrier's interests. The availability of insurance coverage is neither relevant to nor controlling of Carrier's obligations under this Agreement, including Carrier's indemnity obligations. All deductibles under the required policies shall be paid by Carrier.

10. INDEMNIFICATION; Duty to Defend.

a. Definitions. As used in this Section, the following terms are defined as stated:
