Subject: Freight Bill Audit

Hello, Adam Bowen!

Confused about freight cost complexities? Get SMART® with AMTR!

American Truck & Rail Audits Inc. is the industry leader in Freight Overcharge Recovery. We partner withhundreds of freight shippers around the country, returning them millions of dollars in freight bill overpayments each year at no risk or cost.

Our comprehensive service covers all modes of transportation, and provides valuable reporting, data analysis and visualization information to help support process improvement and optimization.

Our service is free of charge, easy to implement, and doesn't require you to change a single thing about your current process. We are truly a NO cost, NO risk proposition for your company.

May I schedule a 10 minute phone call to discuss how our After Payment Freight Audit program can work for your company?

Let me know a good time to call, and I will adjust my schedule accordingly.

Sincerely,

John Via
