Hi Lisa,

I am sending a copy of the Endo Pharmaceutical invoices with backup documentation for tab SCS Air Freight Brokerage for your review.

I will have to send additional email correspondence as the files are too large to fit into one email.

Thank you for approving Endo Pharmaceutical invoice 4056777270 on tab 2WH and sending the rest of the 2WH invoices for processing and approval. Thanks for your help and continued support on the account.

For tab SCS Air Freight Brokerage – I will need copies of these invoices

For tab 2WH - invoice 4056777270 was approved and will be include in the next payment run. All other invoices, are just at 30 days, so I would assume they are approve for payment, but I will check with our A/P team to ensure they are approved and set for payment.

Thanks,

OK.. here is the scoop

I just sent the attached invoices over to my A/P group for processing.

I believe these invoices were on the past due list. If we remove these invoices from the list, are there any other invoices that are still open?

Thanks,

Lisa

All –

Hi Jessica,

I do see on some of the backup documentation where it shows Qualitest. The importer of record shows Endo Pharmaceuticals and the House Air Way Bill shows billed as Other Consignee to Endo Pharmaceuticals.

Do you need to forward the invoices that show Qualitest on some of the backup documentation over to the Qualitest department for processing and approval? I know you had to forward invoice 2649118344 over to the Qualitest department for processing and approval. Thanks for your help and continued support on the account.
