Subject: FW: Kroger orders - Freight Trapping???
Attachments: Copy of Proof of Delivery Report TIM VERSION 07.28.20.xlsx

Importance: High

Hi Idrian and Terrie,
Good morning.

Please see below comment on UPS tracking for PO # 77505.
"Freight has been placed in consolidation status per consignee instructions"

This sounds like freight trapping, which is absolutely not acceptable for our customers.

Can you please review and confirm for me right away?

As always, thank you.

Subject: FW: Kroger orders

Good morning,

There is no tracking details for Peyton's orders that were placed 2 weeks ago. The tracking numbers supplied on the BI proof of delivery report are only for a few items, the majority of the items do not have a tracking number. PO 77505- when the tracking is pulled up on UPS it appears there is an issue with the delivery – I have pasted a screen shot below. Can we please have the tracking details/ feedback ASAP for Peytons, thank you!

Juli,
Can I please have tracking for the heavy orders I wrote 2 weeks ago? None have been received.
